TRUESCAN

The Most Intelligent Skin Analyzer

30 Million Clinical Database

WiFi — WIFI Sharing

Cloud Sharing

Shooting.Analyzing.Displaying 3 Functions In 1

1500W HD Lens

24 Times HD Shadowless LED

UNIQUE ADVANTAGES

✓ 180° turnover ultra-sensitive touch screen, makes multi-directional display availble.

✓ 1500W pixel HD lens, makes images more clear and accurate.

✓ 10-inch HD touch screen ensures display more clearly.

✓ 24 times the energy-saving HD shadowless LED ensures image without distortion.
*With comprehensive suggestion and customized solutions to be more flexible and changeable.

✓ 30 million clinical database as reference, bases on large database analysis, combined with artificial intelligence and image analysis technology, ensure analysis more accurate, with analysis speed ony 20 seconds ensures time-saving and high efficient.

✓ No need to install software, system runs automatically once switch on, no need for software installation support.

✓ Product relates to analysis report scientifically, ensureing auto-recommendation more reasonable.

✓ Comprehensive management systems of Advertisement, Client, Product and Analysis.

✓ WiFi connection, Cloud sharing, Batch management, Data sharing can be achieved.

SPECIFICATIONS

Power: 20W
Voltage: 85-246 V/AC
NG/WG: 6.5 KG/9.0 KG
Equipment Size: 57*48*43 cm
Packing: Carton Boxes

WHY TRUESCAN ?

TRUESCAN is the world's most advanced skin detection equipment together with shooting, analyzing, displaying 3 functions in 1. It adopts RGB, UV, PL 3 spectrums, combined with artificial intelligence and image analysis technology. With 10 years market test and over 30 million clinical database analysis, TRUESCAN can in 20 seconds efficientli identify 10 dermis and epidermis skin problems, such as: spots, pores, moisture, textures, wrinkles, pigmentation, and so on. According to the test results, TRUESCAN can auto-recommend products and treatment for customized skin management. It is an essential skin detection equipment for cosmetic company, beauty salon, skin clinicm training school, beauty center, beauty shop and spa, the market demand of it can be up to 100%
